COMMITTEE REPORTS

Building and Recreation

Ed Lockhart read the proposal submitted by Larson Design, Hawk Engineer and Pete Titlow and explained what they would provide. After a discussion Ed recommended Pete Titlow. Mildred Bliss made a motion to accept Ed's recommendation to hire Pete Titlow to do the L&I & construction drawings, seconded by Melvin Davis. Motion carried by roll call vote with all members present voting yea.

After discussing whether to have a garage underneath the building or separate, Mildred Bliss made a motion to have a garage out back, seconded by Ed Lockhart. All members present voted yea except Bill Dincher voted nay.

It was discussed and decided to remove the inside steps from the drawing and have an outside stairway to the basement.

Building Financing- we have to advertise for the note with DCED. Bill reminded everyone that we have on a limited budget for the building of \$180,000.

Budget
