UNFINISHED BUSINESS

There was a discussion with Lloyd Butler and Bill Foster, from the Lawrence Township, pertaining to the lighting for the proposed S.R. 49 /S.R. 6015 Interchange. A letter will be sent to the local businesses asking if they would be willing to share in this added expense until the state would take over the cost. This was tabled till the next meeting.

Walt Beach voiced several complaints pertaining to the construction and building permit for the addition of the Calvary UMC.

- Building plans not in the office
- Working from sunrise to sunset
- Working on Sundays

- How did the building get there in that orientation and that big and get approved by council
- Suppose to have a front yard of 50' and if it's a corner lot, its 50' on both streets
- Building not to cover more than 40% of the lot- covers 80-90%
- Lot faces State Street not Franklin Street
- Valuation of his property has decreased and probability of selling his lot is 0%
- Buffer strip- 10 ft. evergreens to keep residential area from being exposed to a quasi public building, a group of 2 or more
- Totally deceiving picture church sent around

Marian called Pastor Gary Weaver explaining there were some complaints voiced and he sent some representatives from the church to answer any questions. Council will look into the complaints and discuss this at the next meeting.

Motion was made to adjourn at 8:53 p.m. by Al Losey, seconded by Gene Pondo. All were in favor and no one was opposed.
