November 14, 2023

Lawrenceville Borough Council,

Effective January 1st 2024 the landfill rates will increase \$4.00 per ton. However, since 2022 the landfill has increased its rate by \$10.00 per ton including the \$4.00 per ton effective 2024. The posted rate at the landfill will be \$58.00 per ton.

We propose the following options:

Yellow stickers \$3.10 each bag based on 33-gallon bag maximum weight per bag 30lbs. Our normal rate for blue stickers is \$3.90 per sticker or \$19.50 per sheet.

Monthly rate for four (4) bags per week \$36.00 per month, billed every other month.
(\$2.25 per bag) Based on 33-gallon bag maximum weight 30 lbs. per bag

Monthly rate for two (2) bags per week \$24.00 per month, billed every other month.
(\$3.00 per bag) Based on 33-gallon bag maximum weight 30 lbs. per bag

Customers choosing monthly billing must keep your account current or they will have to use ~~orange~~ sticker service.

All rates are based on Real Disposal Svc. having an exclusive hauling contract with Lawrenceville Borough. Your rate is guaranteed for two (2) years effective January 1, 2024 through December 31, 2025.

Recycling will remain the same service at no charge. We will continue to provide the roll-off service at the Lawrenceville Borough Office.

If you have other options that you would like quotes on please let us know. We appreciate your business and will make every effort to earn it.

Sincerely

David Alexyn
